

# HELP US BRING STORES TOGETHER EVERYDAY

Proudly Backed by

We're planning a Shop Small® Pop-Up Market so small businesses from all over the neighborhood can meet shoppers in one place.

## HERE'S HOW YOU CAN JOIN IN:

- Sign up to be a part of our town's Pop-Up Market and start inviting your own customers to Shop Small.
- Think of fun ways to represent your business and display your products in a tangible setting with a physical space.
- Proudly display the Shop Small Pop-Up Market poster in your store window to ensure that shoppers know you're participating.

Join us in bringing together our community and  
connecting directly with customers as they come out to **Shop Small**.

This idea was inspired by **Franny and Jet**, who hosted a Pop-Up Market featuring local shops and online businesses.
